An act to amend Section 57103 of the Government Code, and to add Chapter 8 (commencing with Section 32495) to Division 23 of the Health and Safety Code, relating to health care districts.

LEGISLATIVE COUNSEL'S DIGEST

AB 2471, as introduced, Quirk. Health care districts: dissolution.

Existing law, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, provides the authority and procedures for the initiation, conduct, and completion of changes of organization and reorganization of cities and districts by local agency formation commissions. Existing law establishes the procedures for the dissolution of the existence of a district and sets forth provisions for winding up the affairs of a dissolved district, as specified. Existing law generally authorizes the dissolution of a district without voter approval, except as specified. Notwithstanding those provisions, existing law subjects the dissolution of a health care district to voter approval.

This bill would require a local agency formation commission to order the dissolution of a health care district without an election if the health care district meets certain criteria, as specified. The bill would subject a dissolution under these provisions to the provisions of the act for winding up the affairs of a dissolved district.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
